Participants' Comments on the
7 April 1977 Director's Luncheon

1. MAG should select the individuals who will attend future luncheons:
 - a. MAG should select a good cross-sectional representation of OIA employees.
 - b. A MAG member should attend each luncheon. It would be his/her responsibility to provide the Director with any feedback concerning luncheon discussions, and at the Director's request to follow up on any MAG related issues.
 - c. MAG should maintain a roster of who has attended the luncheons.
 - d. MAG should select three alternates for each luncheon.
2. One individual should attend back to back luncheons to assure continuity, etc.
3. A group of ten is small enough to work as a unit rather than dividing into teams.
4. Some participants were disappointed that not all "hot" topics were covered.
5. It was generally agreed that Branch Chiefs have sufficient access to the Director and should not be included in the luncheon group.
6. It was noted that three of the five invited minority employees were not able to attend.
7. It was the unanimous opinion of the participants that the luncheon is a very worthwhile project and should be continued under its present format. The Director was very candid in his remarks and this was greatly appreciated.
